

# **Snow White and the Seven Values**

## **By Kathy Penrod:**

**Wicked Queen (WQ):** Mirror, Mirror on the wall, who is the most virtuous one of all.

**Mirror:** Oh Fair Queen, your beauty is far beyond the ordinary. However, there is one who is most pure and beautiful, her virtue shines true. It is Snow White. You will find her living in the forest with the Seven Values.

**WQ:** Then I must get rid of her... I must be the most virtuous one of all. I must keep her from going to the Holy Temple.

(Queen gathers an apple and with an evil look heads out for Snow White)

**SW:** Some day I will go to the temple. I can't wait. It will be wonderful and I will be so happy. If only I knew how to get there.

### **Song: Some day ...**

Some day my time will come  
Some day I'll find my way  
And away to the temple I'll go  
To be happy forever I know

They say pers'nl progress  
Will show the way to go  
So I'll work each day  
To earn my medallion  
So I'll be ready someday

(Snow White is seen in "cottage" with the 7 Values  
[dressed as the dwarfs but in specific colors])

**SW:** (to the 7 values) I am too busy to spend time with you today. There is so much to do. Be on your way and I will catch up with you later.

**Sleepy (Integrity):** No way sister. We are sticking by you.  
There's no telling what will happen if the 7 of us values  
take a day trip some where.

**Bashful (Divine Nature):** what is it you are trying to do  
Snow white?

**SW:** I am trying to get to the temple. I just need to find my  
way there.

**Grumpy (Choice & accountably):** we know the way snow  
white

**Sneezy (Faith):** yes, we can show you. Just stick with us and  
we can take you there.

**SW:** You really do? Can you really take me there?

**Happy (Good Works):** we are happy to help you any way we  
can!

**Doc (Knowledge):** There are things you must do Snow  
White, but we can show you how.

### **Song: Heigh-Ho Lyrics**

We know the path to get you to the temple – it is true  
It's straight and narrow but we know the way  
We values are here for you  
It aint no trick, it won't be quick  
You must do a little bit each day.  
Personal! Personal! Progress shows the way!

Chorus:  
Heigh ho Heigh ho  
To the temple we go  
We'll grow in virtue as we find our way  
Heigh ho heigh ho  
Heigh ho heigh ho

(repeat chorus)

**SW:** tell me then, my valued friends, what must I do? How  
can I find my way to the temple?

**Dopey (Individual Worth):** Snow White, you must remember that you are a daughter of God, who loves you,

**SW:** Yes, and I love him

**Sleepy (Integrity):** you must stand as a witness in all times and in all places

**Bashful (Divine Nature):** you must also try your best to live the young women values – the ones we represent.

**SW:** Yes I know (hugging each dwarf as she says their name) Faith, Divine Nature, individual worth, knowledge, choice and accountability, good works and integrity.

**Doc (knowledge):** yup, these will help you strengthen your home and family, make and keep sacred covenants, and receive the ordinances of the temple.

**SW:** That's all? I can do that. If you will help me.

**Sneezy (Faith):** of course we will help you. You can make it. But you need all of us to get you there.

(WQ enters very sly, holding the apple)

**WQ:** oh snow white, I have something for you. Come here and take a look. (holding the apple) If you eat this apple, it will make you fairest in all the land and all the young princes will fall in love with you. They will all want to kiss you.

**Sleepy (integrity):** WAIT WAIT WAIT!!! Snow white, this is a trap, don't believe her.

**Grumpy (choice & accountability):** no kidding! You definitely don't want to kiss your prince until it is time to go to the temple. Shoo this wicked queen away

(Queen sulks away)

**Doc (knowledge):** Come on Snow white, there is lots of work to be done.

**Happy (Good Works):** Don't worry though; it is so rewarding it won't feel like work at all.

### **Whistle While You Work Lyrics**

Just whistle while you work  
(Spoken while others whistle: "On Personal Progress that is")  
Pick up your book and take a look and see what you can do  
Just hum a merry tune  
(Spoken while others whistle: "Make it a hymn, why don't you")  
Seven values to experience and a value project too.

There's not too much to do  
Don't let it bother you  
Do a little here, and a little there  
And you'll come shining through

So whistle while you grow  
(Spoken while others whistle: "In the personal progress program, that is")  
Your countenance will glow  
and you will get to the temple

(Snow white and the 7 values run off towards the temple)

(Queen is looking sadly into mirror)

**WQ:** mirror mirror on the wall, who is the most virtuous one of all.

**Mirror:** Well dear queen, virtue comes from within. Snow white does possess a great amount of virtue, but you too can live the young women values and find virtue of your own.

**WQ:** Really? Then let's call the 7 values and get them over here to help me!!!

The end
