

Sacrament Meeting Program ~ 2010

I KNOW MY SAVIOR LIVES (Worksheet)

This is a worksheet that allows leaders to let Primary children “write” the Sacrament Meeting Program themselves.

Each child/class is given a topic (see below) and invited to share his or her feelings about the topic, with some guidance by leaders and teachers. A leader then types up the program and gives a copy to each leader and teacher. Individual parts are given to parents of children to practice at home.

Those children giving talks may need more time or prefer to write their talks at home.

The leader that came up with this method held 2 classes behind each Sunday after opening exercises for 10 minutes and let them work on their parts (reminding teachers in advance). In that way, working on the program didn’t take time away from Sharing Time and was minimally intrusive on class time.

Some younger children may simply restate the topic, and that's fine. You may wish to assign older children the discussion-style questions.

This is the method used by a J. Larsen in the Bloomington 2nd Ward. She provided a copy of her 2005 version, and I have altered it into a form that I hope any Primary can adapt for use in planning this year's sacrament meeting program.

I KNOW MY SAVIOR LIVES

*The primary children sit quietly and hum **I Know That My Savior Loves Me** as the leaders stand at the podium together saying each of their parts.*

Primary Leader: This year the children in our Primary had the opportunity to learn to feel and understand the great love that our Savior, Jesus Christ, has for them. They have learned about the central role of Jesus Christ in our Heavenly Father's plan, and they have learned they can have faith in him. Each child's faith can grow stronger as they keep the commandments, serve, share the gospel, follow the example of the Savior, and prepare for his Second Coming.

Primary Leader: To prepare for this sacrament presentation, each child has been given a topic from this year's theme, I know my Savior lives. Our children's answers to those questions will be as unique as we are. Some might share a personal experience while others of us a direct response in our own words. We invite you to ponder these questions and the messages about how we will follow God's plan in what we say and sing.
