2011 Challenge:

Throughout the year, give children opportunities to share what they have learned from their scripture reading. This will give children a chance to share their experiences and help motivate others to read their scriptures at home.

Primary Leader Goals:

Love Those You Teach. Show your love for the children by learning their names and being aware of their interests, talents, and needs.

Teach the Doctrine by the Spirit. As you prepare lessons, pray for guidance and strive to strengthen your testimony of the principles you will teach. This will help you teach by the Spirit.

Invite Learning. Seek to identify doctrine and encourage application and understanding.
