

6 Ways to Make Your Lesson POP!

- NAME JAR – pick a child's name out of a jar for prayer, to serve as a helper, etc.
- QUESTION CAN – contains review questions, pre-reading questions, summary questions, or game questions
- PEEK BOX – shoe box with a hole cut out of the end. Children peek one at a time at an object in the box that introduces the lesson.
- RIDDLE BAG – riddles for review, to introduce, reinforce, or summarize a concept.
- WHAT'S NEXT BOX – lesson activities chosen out of the box at random (story, song, game, rest activity, etc).
- SECRET SACK – contains a fun item a child can quietly hold to reinforce positive behavior. If the child is disruptive, the item goes back in the sack.
