

February 2012: Sharing Time

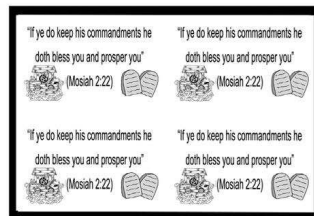

When We Choose the Right, We Are Blessed.

(These sheets are designed to be a supplement to the "Sharing Time Outline" not a replacement)

Week 1

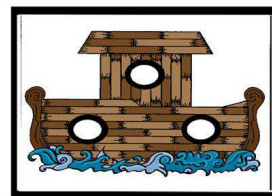

"If ye do keep his commandments he doth bless you and prosper you" (Mosiah 2:22).

Hand out Scripture cards for the kids to memorize during the month and give each child who does a treat or prize. (See attached)

Identify the doctrine

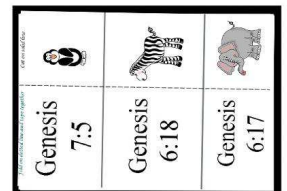

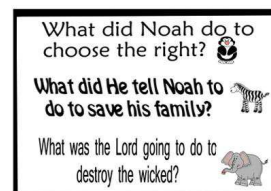

Tape the attached ark to the front of a box or bowl. Hide pictures or small stuffed animals throughout the room. Arrange beforehand for one of the children to wait in the hallway as you show the class where one set of animals is hidden. Bring the child in and have him look for the hidden animal while the rest of the children play "hot or cold" by singing louder when the child is close to the hidden animal(s). Possible songs could be "Follow the prophet," "Choose the Right," etc. Once the child finds an animal have him/her place it in the ark (bowl).

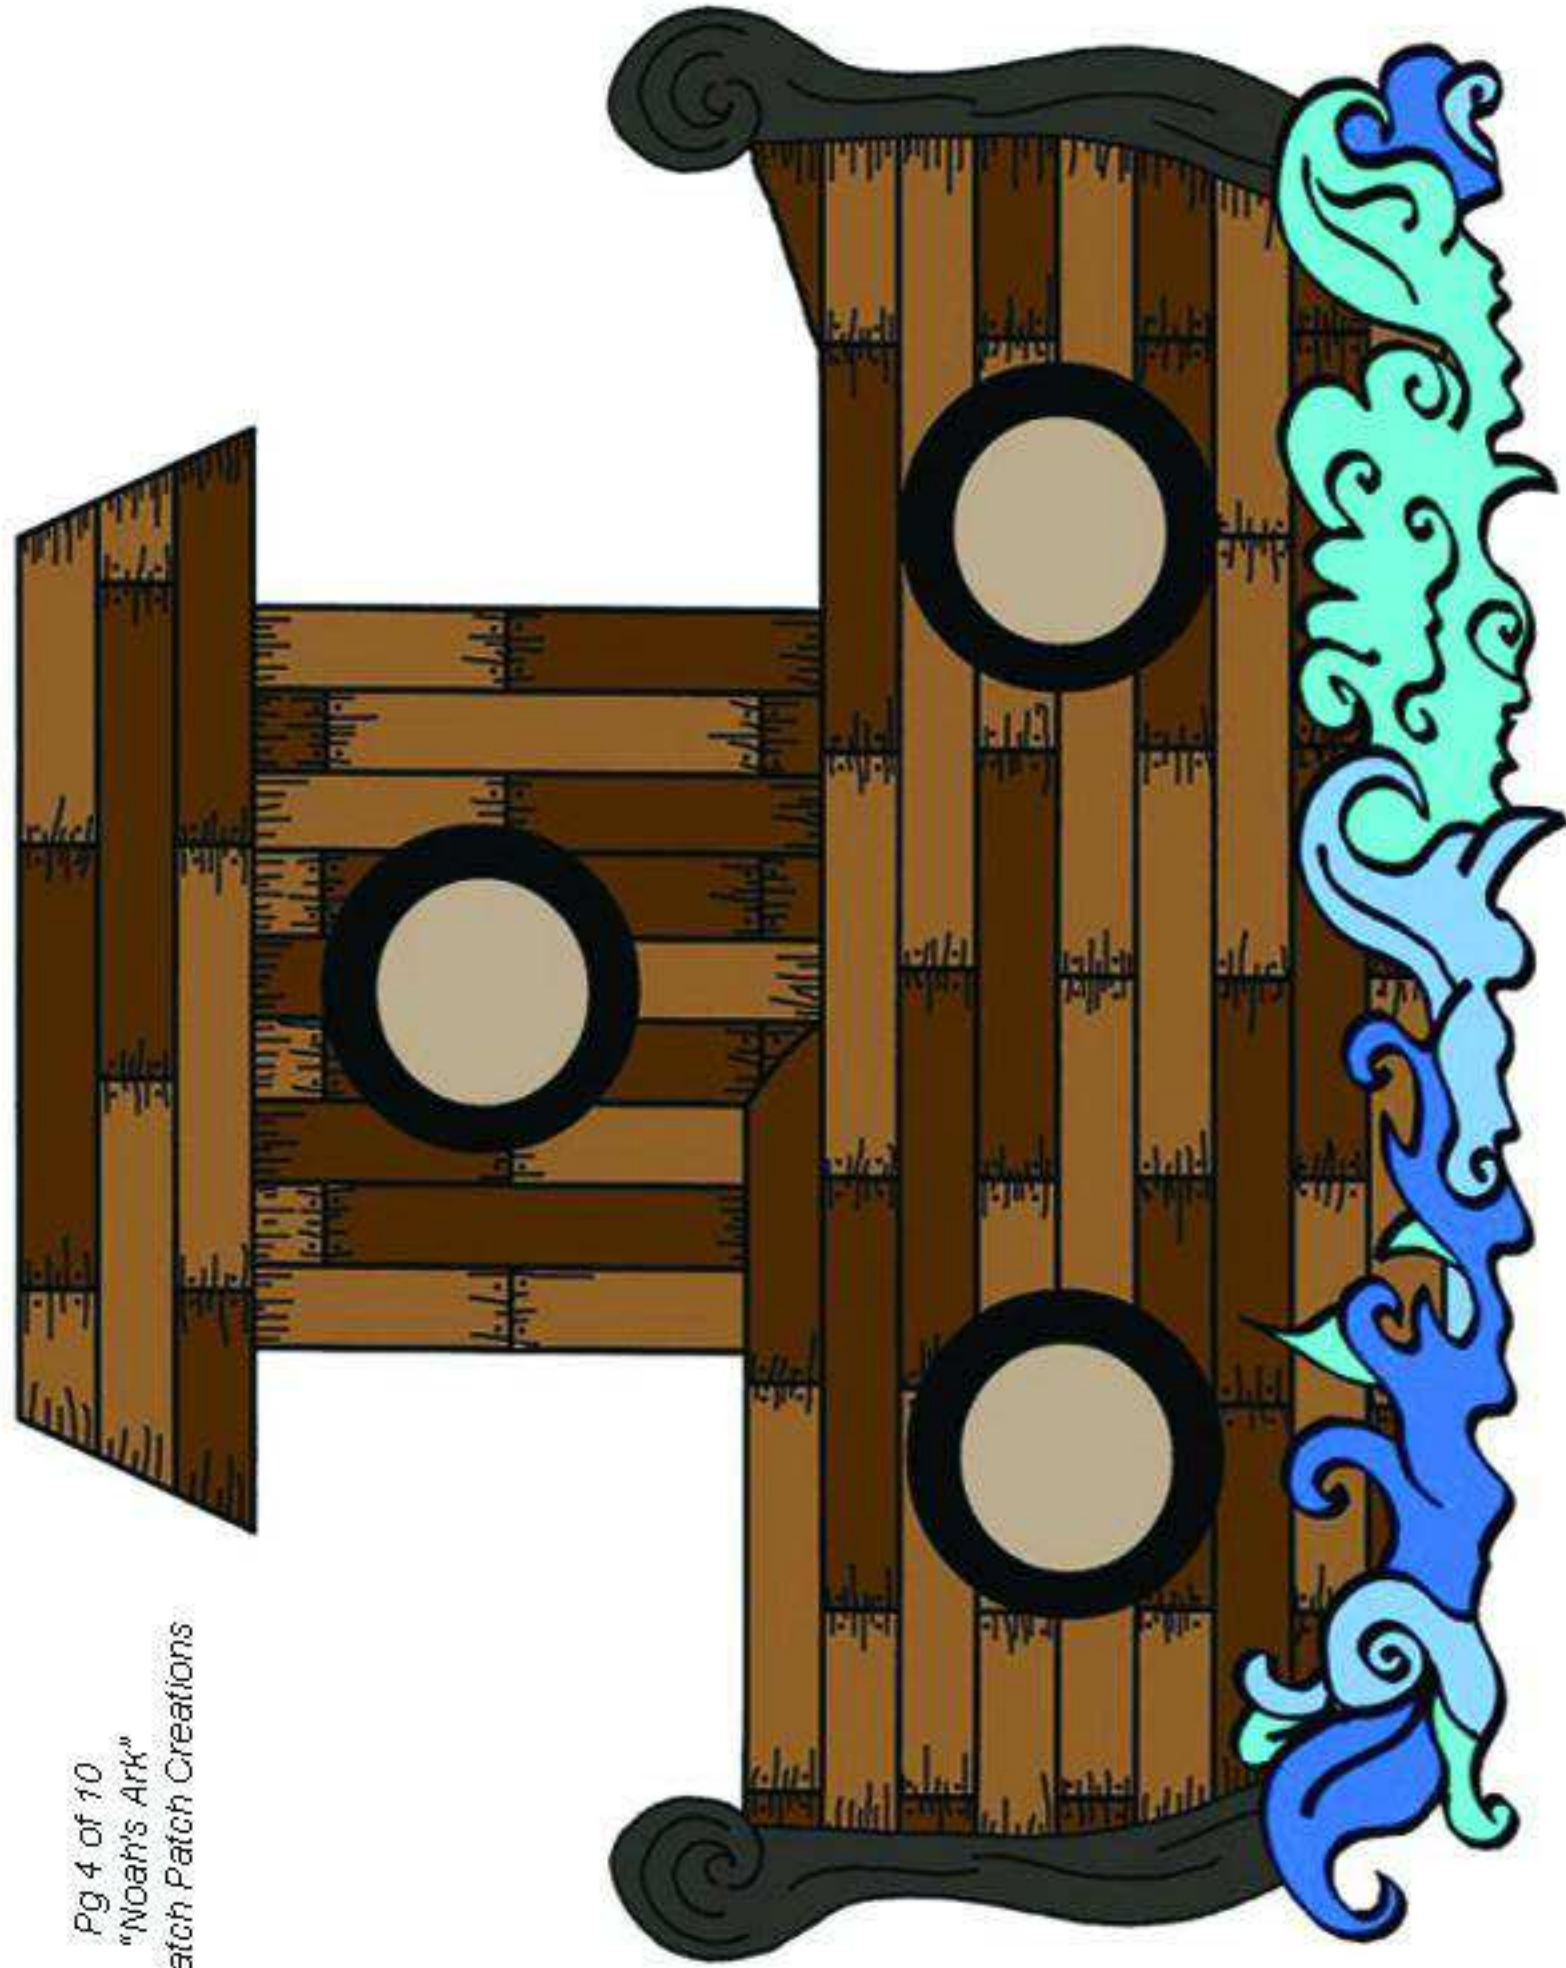

Packet Available: "Noah's Ark"

Encourage understanding (reading scriptures)

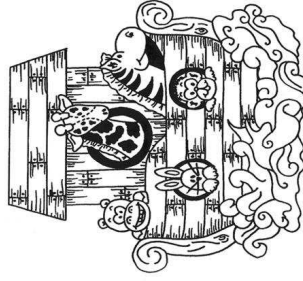

Use the attached questions, and references. Once they guess the right reference, flip it over to reveal if it matches the animal on the correct question.
