

February 2012: Sharing Time Week 4

*“Church members today are blessed for
choosing the right.”*

(These sheets are designed to be a supplement to the “Sharing Time Outline” not a replacement)

Encourage understanding.

Prior to this week:

*Ask a few people from the ward to come and visit for the , “CTR Sunday News Report.”
Tell them they will be interviewed live during Sharing time about a time they chose the right.*

Set UP:

Start off by setting up the front of the room to look like a nightly news broadcast. Place a map on the blackboard with the title on top and the sun (included) somewhere on the map. Place one of the roll away black boards, (I think most church houses have these) behind two chairs. Place “CTR Sunday News” sign (included) on board. In front of the news anchor chairs place a small class room desk. Then place one free standing microphone in the middle for the field reporter to conduct their interviews.

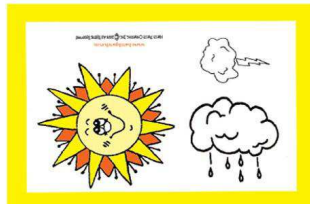

Sharing time:

The entire Sharing time will take place in the set of the News Broadcast. There will be 2 News Anchors, a weather man, a special Features reporter (probably you) and reporters to interview the guests. Ask for volunteers and invite children to be:

News Anchors: (You might want to bring a couple of old suit jackets for them to wear over their clothing.) They will start by reading the cards that say, “CTR anchorman.” They will need to fill in a time where they chose the right.

A weatherman: Since it’s “Sunny” have them wear sunglasses. They can tell the weather and then tell a time they chose the right.

*One reporter for each person interviewed: Give each child the card to read that says
“CTR Reporter.” Another fun idea is to have those members of your ward who come
in for this to dress as pioneers, members from other countries, or ancestors and tell how
they chose the right.*

*You can be as creative as you want. Other ideas could include: A commercial for CTR rings,
A new music video premier where a few are called up to sing “Choose the Right.”*
