

*Just like the growing of a seed,
our testimony must be nurtured to grow.*

There is a price to pay to gain a testimony:

Alma 32: 27
D&C 11:2
Moroni 10:4
John 7:17
Alma 5:46

- How strong is your testimony?
- What are you doing to strengthen it?
- When was the last time you bore your testimony?
