

"...I want you to be proud you are a woman. I want you to feel the reality of what that means, to know who you truly are. You are literally a spirit daughter of heavenly parents with a divine nature and an eternal destiny. That surpassing truth should be fixed deep in your soul and be fundamental to every decision you make as you grow into mature womanhood. There could never be a greater authentication of your dignity, your worth, your privileges, and your promise. Your Father in Heaven knows your name and knows your circumstance. He hears your prayers. He knows your hopes and dreams, including your fears and frustrations. And He knows what you can become through faith in Him."
