

# Sharing Time: March week 2

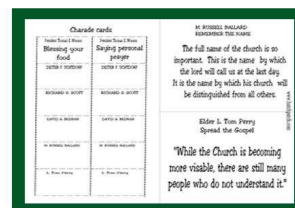

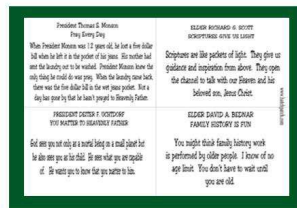

*The First Presidency and the Twelve Apostles are prophets.*

*(These sheets are designed to be a supplement to the "Sharing Time Outline" not a replacement)*

**ENCOURAGE APPLICATION:** I tried to stay pretty close to the Sharing Time outline this month. There are six Name sheets and well as six graphic sheets. Place on board face down so they can play memory. The Name sheets have the name of the apostle/prophet as well as a short saying to emphasise the talk they gave. The object of the game is for them to match the name/talk subject with the graphic. (See attached)

*The second part of this activity is teaching the principle. After a match is made the senior primary members can read a summary card of the teaching. (See attached) You might want to read a section directly from the Ensign.*

*After all the matches are made and you have taught the principles, they can play Charades. I put an example of some clues you might want to give them to act out. Each primary is different so I thought it best to let you decide how hard the clues are that you make.*

Pray Every Day

When President Monson was 12 years old, he lost a five dollar bill when he left it in the pocket of his jeans. His mother had sent the laundry out to be washed. President Monson knew the only thing he could do was pray. When the laundry came back, there was the five dollar bill in the wet jeans pocket. Not a day has gone by that he hasn't prayed to Heavenly Father.

SCRIPTURES GIVE US LIGHT

Scriptures are like packets of light. They give us guidance and inspiration from above. They open the channel to talk with our Heaven and his

YOU MATTER TO HEAVENLY FATHER

God sees you not only as a mortal being on a small planet but he also sees you as his child. He sees what you are capable of. He wants you to know that you matter to him.

FAMILY HISTORY IS FUN

You might think family history work is performed by older people. I know of no age limit. You don't have to wait until you are old.

REMEMBER THE NAME

The full name of the church is so important. This is the name by which the lord will call us at the last day. It is the name by which his church will be distinguished from all others.

Spread the Gospel

"While the Church is becoming more visable, there are still many people who do not understand it."
