

Heavenly Father answers my prayers in many ways.

As a thought
in my mind or
a feeling
in my heart.

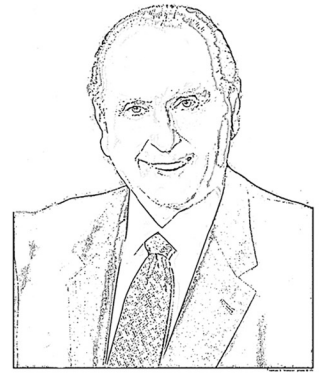

Through
another person.

Through the words
of Jesus Christ
that I read in the
scriptures.

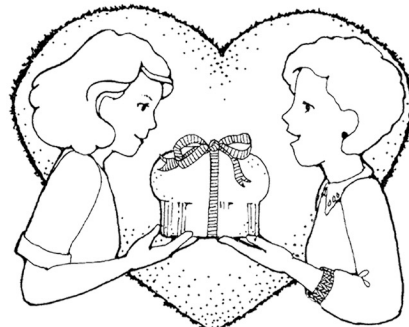

Through the words
of living prophets.

Heavenly Father answers my prayers in many ways.

As a thought
in my mind or
a feeling
in my heart.

Through
another person.

Through the words
of Jesus Christ
that I read in the
scriptures.

Through the words
of living prophets.
