

As Daughters of Heavenly Father

*We are daughters of an immortal, loving, and all-powerful Father in Heaven.
We are created as much from the dust of eternity as we are from the dust of the earth.
Every one of us has potential we can scarcely imagine.*

*No matter our age, circumstances, or abilities, each one of us can
create something remarkable of our life.*

*There is within each of us a divine spark of greatness. Who knows of what we are
capable if we only try? The abundant life is within our reach if only we will drink
deeply of living water, fill our hearts with love, and create of our lives a masterpiece.*
