

The Bread of Life Program Instructions

Program length – The full program is about 55 minutes long. The program can be shortened by taking out sections with the accompanying songs. Each section should take about 7 minutes give or take so you can adjust the program according to your needs.

Narrators – You can use one narrator for the whole program or use eight separate narrators.

Vocalists – You can use solos, duets, or groups for each song. The vocal recordings can also be used in place of a live vocalist. See how to obtain music below

Music: - There is no written arrangement for these songs. The tune however is notated for a vocalist to follow and can be obtained by emailing me at brendahebert@comcast.net. Use the instrumental recordings for your performance. See how to obtain music below.
