

# Welcome to Activity Days

We are so excited to have you join us!

Activity Days is an exciting time where leaders meet with you to help prepare you to enter the young women's program by teaching you the gospel and introducing you to skills that will help you become the girl the Lord has made you to be. We could not be more excited that you are going to be a part of our group. We hope you will find wonderful friendships with us.

Please Mark Your Calendar...

We meet:

---

You should have received a Faith In God Book from the Primary. If you have not, don't worry, we have extras. Please bring it with you each time we meet. We will be encouraging you to receive your Faith In God Award and will help you track and pass off goals in your booklet. We are here to help you in any way that we can.

Please call us if you have any questions or concerns.

Love, Your Activity Days Leaders
