

family unity

Together your family is like a rope
Each person's a strand of the whole
For when one is broken the rest become weak
Leading all away from the goal.
Stand up, have faith and be strong like Nephi
Remember the things that you do
Can strengthen your family with unity
Our Father in Heaven needs you.
So if there's contention and problems
Please don't let your strand come undone
Pray for help from the Father, have faith in...
The powerful influence of One!
