Hatch Patch Creations www.hatchpatch.com December Sharing Time: 2012

Week 2: "Jesus grew in wisdom and stature and in favor with Goad and man"

Identify the Doctrine: Follow the Sharing Time outline. One additional idea is to bring up 4 kids starting with a small Sunbeam and ending with your oldest primary child. Have them all stand side by side. Start by asking who can feed themselves, tie their own shoes, write their names, etc. Then, ask them to do harder things. Eventually only the oldest child should be raising their hand. This will show that we grow and develop in time. Talk about how the Savior grew and learned just like us.

Have the children read Luke 2:52. (see attached)

Encourage Application:

I have tweaked the outline slightly to have the children stay stationary instead of having them move around the room. Place the enclosed signs, "Jesus grew in wisdom" "Jesus grew in stature", etc. on the board. Place a few classroom- size tables directly in front of the signs. Bring out a large Santa- like bag or large gift bag. In the bag place items that would fall under each category. (see list of ideas) Also, place some of the graphics in the bag. (also enclosed)

Read all the signs and the correlating scriptures. Call up a child one at a time to draw out an item or picture. Then have the child guess where that item might go. Have the child place the item by the sign, taking time to teach about each item and how it shows that we can grow just like the savior did.
