What gift can I give you for Christmas this year?
What gift can I give to bring love and good cheer?
What gift can I give you to tell you I care,
A gift you'll remember, a gift we can share?
The gift that I'll give can't be bought in a store,
It doesn't cost money—it's worth much, much more!
The gift that I'll give doesn't come from a shelf.
The gift that I'll give is a gift of myself!
