

Dear Parents,

We are looking forward to a great year in the Nursery!! Please review the updated schedule, class lists and reminder notes from the Nursery Manual:

"The purpose of the nursery class is to provide a loving, safe, organized place where young children can increase their understanding of and love for Heavenly Father and Jesus Christ, have positive experiences in a Church setting, and grow in feelings of self-worth. The nursery class is the first Church experience where very young children are taught the gospel and interact with other children and adults."

- Leave all your child's toys at home.
- Please promptly drop off and pick up your children.
- Please try not to peek and disturb the classroom, we will come get you if needed.
- Take care of your child's rest room and feeding needs before taking him or her to the nursery. A child who needs a diaper change will be taken to a parent.
- Your child will be responsible for the snack bucket several times throughout the year. Plan for a small, simple snack for about 10 children. Thank you!
- Please do not take your child to the nursery when he or she has any of the following symptoms: Fever, Runny nose, Cough, Unusual irritability or crossness, Vomiting, Diarrhea, Rash, Eye discharge, Head lice, An illness or infection treated with antibiotics within the last 48 hours, An obvious childhood illness in the contagious period (chicken pox, measles, mumps, etc. If your child has an allergy that is causing a runny nose, cough, or rash, please let the nursery teachers know that your child's symptoms are not contagious.
